

Publicity Chair

In an ongoing effort to reach out to people of the Archer Heights community who may not be current dues paid members of our civic association, the Publicity Chair handles the release of notices of each of our monthly general membership meetings and any special meetings and is an active member of the civic association Board of Directors.

Each month details of our current upcoming meetings are conveyed to all southwest side newspapers, electronic media and the two Catholic Churches of St. Richard and St. Bruno in the Archer Heights community. The weekly southwest side newspapers publish our meeting notices one week prior to each meeting and the Catholic churches publish our meeting notices in their church bulletins the Sunday before each of our monthly meetings and also make announcement of our meeting at the end of each Sunday Mass.

Meeting notices are published in the newspapers of the Archer Journal News, Brighton Park/McKinley Park Life, Southwest News Herald and the online media of the Archer Heights Civic Association Face Book Page and Southwest Chicago Post.

The function of the Publicity Chair is a key component of our civic association's ongoing commitment to keeping residents of the Archer Heights community aware of special guest speakers, events and issues that affect our neighborhood.

Current Publicity Chair is:

Sharon Skala
